LICENSE TERMS

(For more detailed information, see <https://ijsa.culturehealth.org/index.php/en/editorial-policies/license-terms>)

All Manuscripts submitted for publication must go through the review process. Editors read the revised Manuscript. If the Manuscript is improved adequately, it is sent to two (or more) Reviewers for review and to the Statistical Editor, if it contains numerical data. The preliminary evaluation process usually takes 3 weeks.

The Journal is committed to a high standard of editorial ethics.

Editorial Board is used the principles of ethics of scientific publications upon recommendations of International Committee of Medical Journal Editors.

Conflicts of interests of persons who have direct or indirect relation to the publication of the Manuscript or any information containing the Manuscript are settled according to the law of Ukraine in the field of intellectual property.
